The Squid Game Carte is a fun and interactive way to learn French! The game is designed for two players, ages 7 and up, and can be played in about 30 minutes. The goal of the game is to collect as many squid cards as possible by correctly answering French trivia questions. The game includes 200 trivia cards with questions about French culture, history, geography, and more.\r\n Players can also use the included map to track their progress as they travel around France.\r\n The map is also a great way to review French vocabulary and learn about the different regions of the country.\r\n There are four different levels to choose from, so you can find the perfect one for your child's skill level.\r\n Plus, the game is designed to be played over and over again, so your child can keep practicing and improving their French skills.\r\n
