Bigflo & Oli are two French rappers who have been making music together since they were kids. Their latest album, "Les autres, c'est nous," is all about celebrating individuality and being true to yourself. The album's title track is a rallying cry for misfits and outcasts everywhere, with the duo declaring that they are just like their listeners: "on est comme vous." Throughout the album, Bigflo & Oli touch on a variety of topics that are important to them, from mental health to social justice. They also show off their sense of humor on tracks like "Dans ma tête" and "Papa." "Les autres, c'est nous" is an uplifting and empowering album that will resonate with anyone who has ever felt like they didn't fit in.<br/>

Bigflo & Oli are two brothers from France who have been making music together since they were kids. Their new album, "Les autres, c'est nous," is all about celebrating individuality and standing up for those who are different.

The album's title track is a rallying cry for anyone who has ever felt like an outsider. It's an anthem for misfits and rebels, and it's sure to get stuck in your head.

Other standout tracks on the album include "Dans ma tête," a song about mental health, and "Pas là," a song about being there for someone even when you're not physically present.

"Les autres, c'est nous" is an important album that will speak to anyone who has ever felt like they didn't belong. Bigflo & Oli are two brothers who know firsthand what it's like to be different, and they're using their platform to empower others.<br/>
